- Ma'am thanked the existing E-PTA as they continued for 2 consecutive years and have been a great support to the school. It is the love, affection & support that we are so successful.
- Ma'am announced that Nigdi branch will go ahead for the extension of its affiliation process this year. Even our Moshi branch and Ravet branch will go through this process this year.

Other points with permission of Chairperson:

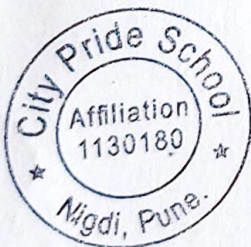

Ma'am initiated the discussion and encouraged parents and teachers to ask questions if they have any & also share their experiences. Following are the points of discussion:

- Parent Geeta Lele thanked and appreciated school, management and especially the teachers for their hard work. She extended her gratitude towards the whole team. She said that as parent we also enjoyed attending the school from home. Even being part of the assembly was so much of pleasure. Maya Ma'am thanked the parent to be of great help always. She also said that this year academically we will have a blended approach.
- Parent Dr. Shubhangi Bhand asked if school will conduct the test series. Ma'am replied that we will have test series. Class 10 children will solve the test series papers and teacher will check the papers. School will be open for all the class 10 students to come and drop the papers but with all the precautions.
- Parent Geeta Lele asked about the books for academic year 2021-22. Ma'am replied saying that it has been delayed because of the situation but we will soon let you know in 1st week of April the details.

- Nisha miss mentioned a lot of learning and unlearning happened this year. It was challenging at the start but we picked up well. Parents were very supportive throughout the journey. She mentioned that she is thankful to the children to help us with technology when we had some issues. She also stated we are hopeful to start the school physically.
