## About School

City Pride School is promoted, established & run by 'Audyogik Tantra Shikshan Sanstha' popularly known as A.T.S.S.

The school is located in heart of Pradhikaran, Nigadi, renowned for its town planning and amenities. The school campus is about 2 acres of land. The pollution free Pradhikaran area gives right kind of atmosphere for better learning.

The School is affiliated to CBSE Board. The school has classes from LKG to 10<sup>th</sup>Std. The CBSE board results for the previous year is 100 % with more that 50% students securing 90% and above.

### Our Core Values

---

## Our Vision, Mission and Approach

### Our Vision

To develop children into enlightened citizens of tomorrow “Reaching New Heights”

### Our Mission

City Pride school will emphasize on quality education in a facilitative challenging and positive environment, encouraging sharing and caring so as to make dynamic, inquisitive and rational individuals who display high self-esteem and a sense of morality.

### Our Approach

City Pride School, believes in developing good traits, habits and life skills along with promising education. Besides honour, faith and excellence, it upholds the essence of Indian Culture and heritage along with modern thoughts and scientific look. Maximum efforts are put in to galvanize the hidden talents of students, build their confidence and create awareness so that they are ready to face the competitive world positively.

City Pride School strives to attain excellence in a happy, caring, secure and dynamic student community, where all students have the opportunity to achieve their highest potential in life. The school provides a range of educational and social experiences appropriate to the age, ability & needs of our students. We provide resources to ensure maximum educational benefit.

The school takes sincere efforts to do best for children and we endeavour to create a caring environment within which each child is regarded as an individual and valued for his/her unique qualities. Students are encouraged to participate on different platforms, in extra-curricular activities, and in various intra-school and inter-school competitions.

---

## Recognitions

**CBSE Affiliation:** The school is affiliated to Central Board of secondary education up to 12<sup>th</sup> standard (affiliation number 1130180 )

**NABET Quality Accreditation:** National Accreditation Board for Education & Training (NABET) is a National level board which accredits institutions who fulfill the quality norms and standards on various stringent parameters. City Pride School has received NABET accreditation status for its quality standards with highest marks in year 2012-13 (Accreditation number : WS1216 043 dt 16.08.2012) City Pride re-accredited by National Accreditation Board for education and training (NABET) for its quality standards and a very sound process based working pattern with highest marks once again in year 2018-19!!

The Finland-based Council for Creative Education (CCE) has certified City Pride School as "**CREATIVE SCHOOL**". The school has got this international certification for Innovative Creative Practices, Design of the Learning Space, Pedagogical Learning Environment and Creative Teaching.

## Awards

### Our achievements at National and International level:

City Pride School has won **Sustainability Award of US\$ 2500 ( approx. 190000 Rs.)** in an International Competition addressing Sustainable development goals. Total 200 educators with their teams from 48 countries had participated. Our school's project , named YUGMA is one among 17 winners. Details of the competition can be found Cienachallenge.org. A team of students viz. Vedika J, Raj T, Anay G, Chimayee P, Chinmayi V, Priyal K, Arti P and Satyaj H and their mentor Ms Poonam G came up with the project named as YUGMA (meaning-unified collaboration). The project deals with 3 prong approaches to bring the children with special needs to the school to identify their talent and hone it, develop a multi-lingual app( App link- <https://bit.ly/3rN61mK>); to improve motor skills and learning; create a website to provide necessary information to parents (Website link- <https://cienachallenge2021.wordpress.com>) They were supported by Departments of Sports, Computer, Music, Art and soft skill. This success would provide impetus to our efforts to take more community-based initiatives and sensitize the students towards betterment of mankind. Such projects will teach students empathy and compassion.

**Once again City Pride Group of Schools finds itself on the pedestal of the prestigious Times School Survey of best school in two categories, "highest parent satisfaction" and gets the title as " next gen school "**

The school is proud of its family for relentless hard work and support. 'Innovative methods of Learning' is the new name game for excellence in education. Students' satisfaction is our sole mantra

---

City Pride School secured top position in the category of Screen time management conducted by Times school Online education survey 2020. It was indeed a very proud moment for all the stake holders as this brings positivity in such pandemic situation and it acknowledges the fact that City Pride School is on the right path in online teaching.

**ISA Award:** The school received “International School Award 2019-2022” from British council. This award is given only to those schools which exhibit International Connect and Global exposure in their educational methodology. It is ensured that not less than 80% of the students are involved in project with international philosophy / exposure.

### Awards in past years:

- Brainfeed has selected City Pride School for the **Brainfeed School Excellence Awards 2019 - 2020** as one of the **Top 500 schools of India**. The jury unanimously selected our school for transforming education and young minds through a noteworthy spectrum of initiatives and efforts.
- City Pride School was conferred with **“Ideal School Award”** by Pimpri Chinchwad Municipal Corporation in the year 2016 for all round development of students and for its highest credibility in society and highest quality standard.
- In order to promote e-governance in various field of work, Government of Maharashtra had constituted an award for **“Best IT Enabled School”** in the state of Maharashtra in the year **2012-13**. The award was mainly given on the basis of use of technology, transparency, percolation of IT in stakeholders and innovative application of technology. City Pride School was the state winner of this most prestigious award in the school category.
- **National CBSE Science Project Award:** CBSE conducts national level project competition to promote innovative thought and scientific application among school children. Out of total 2700 projects 270 projects were selected for National round conducted at New Delhi. City Pride school won this award for its project titled. “Energy Conservation & Reduction of Pollution through Sewage Treatment Plant.” This project received award at the hands of former Union HRD Minister Mrs Smriti Irani at New Delhi. The school also received a special appreciation letter from Hon. Prime Minister Mr. Narendra Modi for this extraordinary achievement.

Ideal school award

National CBSE Science project award

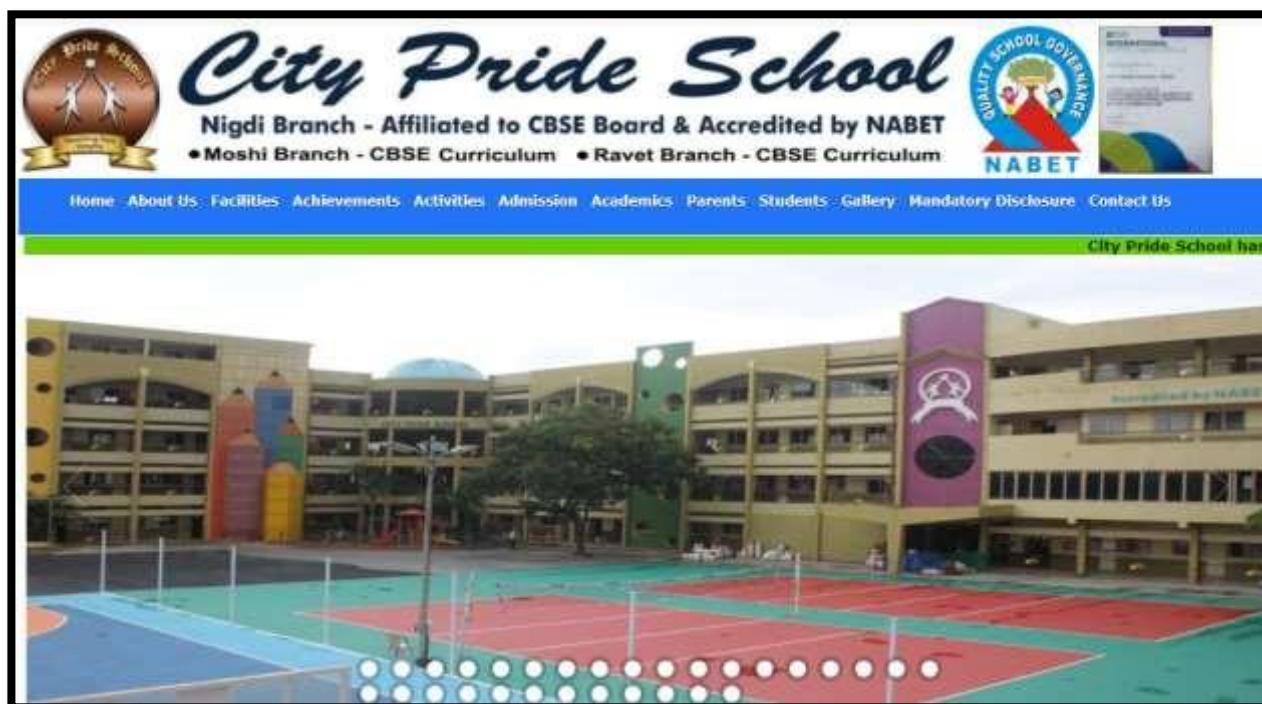

Best IT enabled school award

## Our School Website

City pride School's website, name [www.cityprideschoolnigdi.org](http://www.cityprideschoolnigdi.org) is an interactive website which is always updated, and provides powerful medium for communication & interaction.

## Details about students(2021-22)

Std	Boys	Girls	Total
I	77	86	163
II	86	73	159
III	81	78	159
IV	90	70	160
V	75	86	161
VI	92	67	159
VII	95	64	159
VIII	83	77	160
IX	91	69	160
X	73	85	158

### Details about the Staff (2021-22)

We have an extremely strong team of well qualified, talented, skilled, computer literate teachers. The details are as follows:

Designation	Number
Principal	1
Vice Principle	1
PGT	5
TGT	35
PRT	32
PET	4
Other Non-Teaching Staff	7
Total -	85

### City Pride School staff members

## Objectives for the academic year 2022-23

### Objectives for the academic year 2022-23

- **Standardisation of Evaluation Pattern**

The objective is related to the mission of providing quality education in a facilitative and challenging environment. The evaluation is to be standardized taking into account the learning outcomes to be achieved, to cater the diversity and needs of the students. The papers to be set should be on the basis of 80% LOTS and 20% HOTS.

- **Responsibility matrix for the subject – Mathematics**

The objective is related to the mission of providing quality education in a facilitative and challenging environment. The aim is that each child should be able to achieve foundational numeracy expected at that level.

- **To sensitize students towards environment**

The objective is related to the mission of providing quality education in a facilitative and challenging environment to develop dynamic, rational individuals. The aim is to sensitize the students to conserve water at personal, community level by carrying out various activities throughout the year.

---

### **Safal Exam conducted by CBSE**

- NEP 2020 recommends transforming the assessment system to promote the development of students and suggests a shift from testing rote memorization to competency-based learning. To map progress throughout school years, the NEP 2020 proposed an annual school assessment for all students in Grades 3, 5, and 8. This assessment focused on testing core concepts, application of knowledge and higher order thinking skills. SAFAL has ensured progress throughout school years by providing diagnostic information about students' learning to schools and thus, supported school education to move towards competency-based education. The results of this assessment were largely be used to provide development feedback to schools and not for promotion of students to the next grade. CBSE invited all its affiliated schools to participate in SAFAL in 2021-22.
- As per NEP 2020 Safal exam was conducted in the month of February for Std 5 and Std 8 for Hindi , Science and Maths.

## Infrastructure Details

- **Smart class rooms with Wi-Fi campus** - City Pride School has state of art classrooms equipped with LCD projectors and Computers in each class. The entire school is Wi-fi connected with internet connectivity available even in the classrooms. Teachers regularly use Computers for teaching learning and evaluation process. The school has implemented ERP system for effective learning management system

The school has installed CCTV camera on all the school gates and also GPS system in school bus for security.

- **Computer Labs-** To keep pace with advanced technology and to use computers as an application tool, two computer labs are available with internet connectivity.

- **Atal Tinkering Lab** - Atal tinkering laboratory is a work space where young minds can give shape to their ideas through hands on activities, and learn innovation skills. We at school have already introduced experiential learning program which revolves round STEAM - skills of Science Technology, Engineering, Art and Mathematics. These skills develop problem solving and critical analysis and prepare students to think out of box so that students can apply knowledge to solve real life problems. ATL would contain educational and learning 'do it yourself' kits and equipment on – science, electronics, robotics, open-source microcontroller boards, sensors and 3D printers and computers. Under ATL we have conducted various activities & workshops since the commencement of these labs in our school. Under this area we have many learning spaces.

**1. Robotics Lab** - The school has established state of art Robotics lab in association with Think Labs from IIT Mumbai. The lab consists of 12 robokits and visual programming facility.

**2. Animation and Gaming lab** - A separate well equipped animation lab has been developed by school with high end hardware , software and other accessories .An experience trainer from animation industry has been appointed to impart practical knowledge to students for creating animated films and games. Students have created amazing films which are displayed at annual exhibition.

**3. Fashion Design lab-** Not only technologist but some city Pride school children can become future fashion designer too!! The school offers yet another elective for creative children as "fashion designing" since std. 6th. The students design and stitch clothes & accessories with themes in school, and display them on ramp in annual events. Qualified fashion designers are appointed for guiding children.

**4. Advance Mechanics Lab** -School has developed mechanical engineering lab with the facility of Computer aided design. The 3D printer in the school for manufacturing the actual prototypes of designs prepared by students. Various mechanical engineering concepts are strengthened through use of mechanical tools in this lab.

- 
- **Maths Lab-** To explore mathematical concepts in practical manner and create visual impact of mathematical concepts, the school has well equipped maths lab where students of class I-VIII visit regularly and learn maths enthusiastically.
  - **Science Labs** - School has established three science labs which stimulates the need of students to know how things work.
  - **Discovery lab** –The school has developed an additional “Discovery lab” wherein students do hands on activity. These labs develop curiosity among students and help to teach scientific principles in the most amazing way.
  - **Library** - The school has two well stocked libraries with thousands of books on various topics, magazines, reference books, CD collections for teachers and students.
  - **Medical room**– The school has well equipped medical room for first aid treatment. A doctor and a nurse is available in the school for treating medical emergency. Regular medical checkup for all students is done yearly. Medical reports are maintained by the school. Parents are informed about the same.
  - **Activity room-** An activity room well equipped with toys, Educomp smart class is available for preprimary students.
  - **Seminar Hall** – School functions and parents meetings are conducted in the school seminar hall.
  - **Counselors/Wellness teacher and Special Educators room-** to cater to learning difficulties seen among children and to help children overcome their emotional and social insecurities and achieve better confidence, school has appointed counselor, wellness teacher and a special educator also.
  - **Sports Ground-** The school has an in campus play ground to bring out the sporting talent of children and inculcate spirit of sportsmanship

---

## Education at City Pride School

### Activity Based Education:

Education at City Pride School is based on project approach, experiential learning with exposure through field visits, research projects, science workshops and presentations. The education system in our school aims at helping students in understanding the facts by working hands-on, applying simpler & investigative learning way so as to arouse interest & develop better understanding in their subject. The soft skill training and the eloquent club activities aim at preparing students for 21<sup>st</sup> century skills.

### Skill Development Approach

From standard 6<sup>th</sup> onwards the school provides skill training to students to enhance the creativity, innovation, thinking, and problem-solving, communication skills, social & emotional learning along with essential life skills for building their confidence and leadership skills. The innovative programs make the children ready for 'out-of box' thinking and also helps in developing their all-round personalities.

### Robotics

Learners of all ages enjoy hands-on construction activities. Robotics is a platform for the students where they get a chance to indulge themselves with the applications of a branch of technology that deals with day to day activities. The aim of hands on experience with engineering and mechanics provided in the robotics class is to put students in the role of creating and designing with information technology.

In Robotics Lab, students learn about different mechanisms involved in different machine and the work on how to make them automatic by doing programming. Students of Std 9 learnt to control robot through mobile app using Bluetooth technology. Students of Std 10 made integrated projects using all ATL labs.

1. Connected to this CPS students **participated in various International Design Olympiads** which is organized by Design to build creative confidence through Design and Design thinking. It is a platform for young minds to embark upon a creative journey, to explore the application of knowledge gained in school and to discover their hidden talent and aptitude for design.

Also students participated in Moonshot Junior Hackathon 2021. Hackathon was organized by an MNC, Moonshot Junior in association with i4c. 35 teams were shortlisted out of 250 teams from Pune and Goa for the final round. Our students presented their idea and prototype in the final round and our Team "CPS Techy mates" having students from Grade 8 comprising Vanshika Kumar, Siddhi Desai , Ayush Patil and Harshwardhan Yewale won the first prize under problem statement-Don't flush out WaterAir. The students worked on a smart device that can reduce the wastage of water. The winning team will receive a Robotic Car kit, Moonpreneur board game, 50%scholarship on Moonshot Jr Innovator program, and Amazon Gift voucher worth Rs 11000.

### Animation and gaming

Another most popular elective that the students can choose since std. 6th is “Animation and Gaming “. A separate well equipped animation lab has been developed by school with high end hardware, software and other accessories. An experience trainer from animation industry has been appointed to impart practical knowledge to students for creating animated films and games. Students have created amazing films which are displayed at annual exhibition. Under Animation, the school students designed the images for the 8th “Doodle for Google” competition, Google invited kids to create Doodles for the given theme – “If I could teach anyone anything, it would be.....”

### Mechanics Lab

### Fashion Designing

### Field Visits:

Field visits are conducted for every class throughout the year to give exposure and experience to the students. This year due to pandemic the school conducted virtual field visits

## Environment Awareness

City Pride School ensure that students are connected to their surrounding environment and are socially conscious, Various environment protection activities are taken up by the school.

### Climate Warrior

Pune Climate Warrior program - CPS is a participating school to achieve the Pune Climate Warrior goals, that is -

- Educating the young about the causes and consequences of Climate Change.
- Developing a culture of caring for the environment, surroundings and living beings.
- Promoting children to become the 'Agents of Change'.

## Waste Management

**1. Segregation of Waste-** During the Pandemic, students managed it at home and also spread awareness in their neighbourhood by telling the importance of segregation. Dry and wet garbage is separated, wet waste used for compost and dry waste handed over to the PCMC garbage collection vans.

### **Visit to Waste Management Plant, Moshi**

**No. of Students: 30 students from class 6-9**

As a part of bringing awareness in students regarding segregation of waste we planned a visit to the waste management plant Moshi. Children appreciated the work done by the people there and also decided to follow segregation of waste at home and uprise people in their neighbourhood.

## **2. Best Out of Waste**

**No. of Students: 480 Students from class 7-9**

Reuse and recycling is the need of the hour. To instill this there were many activities conducted in the school. This practice is inculcated in our students so that they understand the value of things they use. We can see this paper mache mask made by class 5 children.

## **3. Cleanliness**

**Cleanliness of School-** The cleanliness of the school premises is maintained regularly by the cleanliness department.

**3. Segregation of Waste in different bins-** There is an arrangement of separate bins to collect wet and dry garbage on each floor and also separate bins in each class rooms for segregation of garbage.

#### 4. Composting

**No. of Students: 160 students of Class 7**

The students of class VII do this activity of daily dump or compost using the breakfast that is left along with the coconut choir (fibre) and microbes. All these things are mixed and moistened using water, and then are added to the compost pot on daily basis. This is done with the help of the teachers from Environment Committee. Once the compost gets ready it will be added to the plants.

**Bio Gas Plant-** The school has a Bio gas Plant managed by the students. The gas produced by it is used in the chemistry lab for various practicals.

**5. Availability of Sanitary napkins-** Sanitary napkins are made available to the girls whenever required in the medical room. Newspaper is made available for disposing sanitary napkins.

## II. Cleanliness of Toilets

**6. Clean and Odourfree Toilet and Separate toilets for girls and boys-** City Pride School has taken care of the basic necessity for students and teachers- the provision of clean toilets. We have washrooms for girls and boys separately on each floor so that it is easy for them. Our staff uses phenyl and other disinfectants while taking care of the cleanliness of the washrooms and instructions regarding proper use of washrooms is also explained to the students. This enables them to maintain the clean washrooms. There are washbasins and liquid soap provided so that the children can wash hands after using the washroom. Dustbins kept near the washrooms are used for throwing all waste. This maintains the cleanliness of the premise. Use of deodrants is also taken care of to keep the washroom odourfree.

## Water Conservation / Water Mission

### 7. Water Conservation and Rain Water Harvesting-

**No. of Students: All students in school**

City Pride School is very keen in saving water as an important natural resource. We take all steps to see that water is conserved. An innovative step taken by the school is the collection of left over water from children so that it is not thrown and wasted. Care is taken to check the taps frequently to prevent leakage.

### Water Mission:

The water project display done by each class showcased the depth and width of the topic 'Water'. The special guest Mr. Satish Khade - a Water expert was highly impressed by the work done by our students at each level.

He spent a lot of time with students and gave them many things to ponder! The projects included a wide range such as Water Migration, Case Studies on village (Ralegoan Siddhi), Water Laws by Government, Methods of watering plants for optimum usage like sutli method and drip at home, skit and street play to create awareness, creating a website, poem, rock painting with slogans, Water usage by each individual and collection and measurements, etc

**8. Rain water Harvesting System-** Added to this practice we also have a proper rain water harvesting system. The roof water is collected through pipelines and stored in underground tanks. This collected water is then used by the staff for gardening and cleaning purposes.

### **JalDindi**

**No. of Students: 30 students of class 8 and 9**

Our students participated in the JalDindi Project along the course of the Pavana river where they pledged along with the Jal Warkari to keep the river pollutant free.

### **Pavana Mai Jal Maitri Abhiyaan**

**10 Students of class 8 Participated in Street play competition for Pavana river water cleanliness and secured consolation prize**

### **Environmental protection awareness session**

As a part of spreading awareness among students and teachers on water conservation there was an awareness session conducted by Mr. Satish khade on "Jal hai to Kal hai" under the CPS Water Mission 2022. He enlightened us with the present state of water wastage and the ways it could be reduced so that our next generation is not deprived of clean drinking water.

## **Plantation of Tree and Global Warming**

### **IV. Tree Plantation and Global Warming**

**No. of Students: 20 students of class 7 & 9 and 5 of class 10**

**9. Tree Plantation** - Students and teachers have taken efforts for organic gardening in the school premises (class VII & IX). Workshop and field visit to terrace garden in Nigdi Pradhikaran was arranged for the students where they learnt about natural ways of making compost and fertilizers, natural things to be used as pesticides, etc. Also a few trees were planted by class X students and were named after the unsung heroes.

Due to the Pandemic Situation students planted few medicinal / ornamental plants at home and sent the images through Ms- Teams. They also made seed balls which were scattered when they visited forts and also gifted it to their friends and relatives.

## **V. Energy Conservation**

**10. Solar Panel-** City Pride School takes initiative in conserving electricity by the use of LED in almost every classroom. This reduces the energy consumption. There are electricity audits done by students which makes them understand the need for energy conservation. They analyse the usage of electricity at home and find out ways to reduce the wastage. The school has Solar Panels fitted on the terrace which helps for the supply of power whenever needed and helps in reduction of consumption of electricity supplied through MSEB

## **Best Out of Waste**

### **11. Best Out of Waste Class Competition-**

**No. of Students: All students from class 3-10**

There were group competitions held classwise for Best out of Waste. Class 3 students made rakhi and paper bag puppets.

Class 4 made Monster piggy bank and paper mache bird

Class 7,8,9,10 made paper roll activity, Christmas decoration from waste plastic cup, pen stand

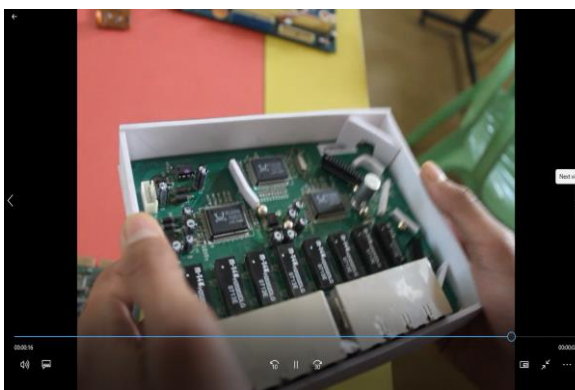

## **12. Plastic Waste Collection Drive-**

**No. of Students: All students**

Plastic waste collection drive was taken up by the school where students were asked to collect empty plastic bottles and clean wrappers. These were then made into ecobricks. These ecobricks were used by the school to make small portable stools and a cemented structure. The drive continues where bottles and wrappers are being collected for further use. This instills the idea of reusing plastic waste.

**13. E-waste collection drive** was conducted in the school. Students used most of the useful material to make new gadgets with the help of the Electronics teacher.

## 14. Other Awareness Activities Conducted by City Pride School

**1. Shredding of Paper-** The school understands the need for recycling paper and therefore paper shredding is done at school and then sent to the recycling unit.

### 2. Cleanliness Drive in the Community-

**No. of Students: 160 Students of Class 9**

Children do undertake cleanliness drives in and around the city during field visits, Ganesh idol immersion days, Gandhi Jayanti, etc

### 3. Assembly- Water Conservation message through assembly is also spread among the students

**No. of Students: All students of classes 6-10**

**Water Conservation**

**Importance of Cloth bags**

**Sustainable Development**

### 4. Rally-

**No. of Students: 160 Students of Class 9**

The students of class IX participated in the rally before pandemic for creating awareness and reinforcement for conservation of the environment by saying no to the use of plastic. The students from all the four divisions carried some banners displaying the plastic things that are banned as well as allowed by the government and also few banners about environment. They also collected the plastic that was lying on the roadside. After the rally the ministers of class IX along with Mr. Sagar Deshpande handed over the collected plastic to the concerned people from 'A-ward'.

---

## Inclusive Learning

- **Project Yugma**

City Pride School had participated in a prestigious International project competition instituted by M/s Ciena Corp.USA in association with Digital Promise named as #CienaChallenge having a goal to provide collaborative learning experience that supports teams of Educators and students to contribute a meaningful sustainable solution. 200 teams from 48 countries took part in the competition and the Project 'YUGMA' from City Pride School has been selected among the top 15, receiving a grant of US \$ 2500 to further improve and sustain.

A team of students viz. Vedika Jadav, Raj Taware, Anay Gawande, Chimayee P, Chinmayi V, Priyal K, Arti P and Satyaj Hadao and their mentor Ms Poonam Gupta came up with the project that deals with approaches to bring the children with special needs to the school to identify their talent and hone it.

Now under the #YouthMADE festival organised by Ciena , our team -Yugma is meeting with 5 other teams on 18th May at 8.30 pm to 9.30pm through zoom meet. The participants will get to interact and discuss their journey with the others on this platform.

- City Pride School aims at Inclusive Education a step where students of Zep Rehabilitation Centre (dealing with differently abled children) mingle with the mainstream system students.

Various festivals are clubbed together and celebrated.

One such festival dassera was celebrated by involving the school ministers of std 6th and 7th who visited the ZEP Rehabilitation Centre today alongwith the School Counselor- Ms. Syamala Dusane and had dandiya celebration with the kids of Zep. The students did share their insights of being empathetic towards the kids there and yet feeling fortunate to live a life of easy means.

Such activities do help students gain a sense of realization, Empathy and contentment.

## Innovative Activities

### Journalism

City Pride School has undertaken another innovative activity called “Journalism”. We believe that journalism is an attitude and not merely a profession!! A team of “School Journalist” are trained with basics of Journalism by experts. This team publishes a newspaper called “Quest” which covers news and articles related to Global , National , City and school level. School journalist team exhibits high commitment and confidence towards this noble cause. This activity has developed students’ vigilance, observant nature and self-confidence.

### ‘Connect to Inspire ’

**Bridging the gap with parents** - We believe that parents and school are integral part of child’s life and they need to work together for optimum development of the child. City Pride is blessed with most cooperative and enthusiastic parents who believe in basic philosophy of our school. Through the programme “Connect to Inspire” school has encouraged parents to actively participate in various activities of the school and this platform would enable parents to get strongly connected to the school.

### Pathfinder :

The school published school magazine with unbound participation from teachers, students and even the parents for the year 2020 to 2022. The school magazine is spontaneous, creative and participative giving platform to students for exhibiting their creative talents

## Co-scholastic Activities

### Visual and Performing Arts

With our vision to develop enlightened citizens, the school gives special emphasis on developing cultural and creative instincts among our children. On a regular basis, through the daily assembly significance of the day is mentioned to help them improvise their knowledge. The School has developed various creative clubs where we systematically train them for various Indian forms of art like Bharat Natyam, Kathak, Western Dance, Keyboard , Drums and Indian classical singing from standard first onwards. Students appear for Gandharva Mahavidyalaya examinations through school. Expert coaches with “Visharad” are appointed for honing these skills. Drawing and art coaching is another distinct feature of the school, which is carried out by expert teachers. Students appear for Elementary and Intermediate exams every year and secure good grades.

## Celebrations

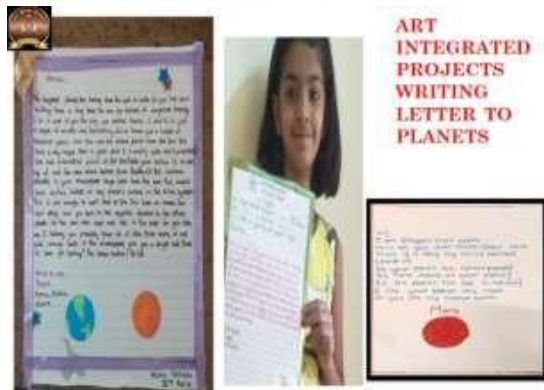

Inter school competitions, World Music Day, Gurupornima, Ashadhi Ekadashi, Independence Day, Children's Day, Republic Day, Marathi Diwas etc. were celebrated in school.

## Art integrated activities

## SEWA Projects

## Health & Physical Education

### Morning exercise:

In this pandemic situation everyone has realized the importance of Physical fitness and immunity .So we City Pride Sports Department conducting morning exercise for all the students from standard 1st to 10th , covering all physical fitness factors . Small videos of strength exercises, cardio exercises, agility exercises, coordination activities,yogasanas and Pranayam were prepared and sent to students. All the students from standard 1st to standard 10th do these activities everyday and are finding these activities beneficial. The school conducts regular medical check up and maintains health cards.

### Sports Day

A grand sports tournament was celebrated by City Pride Group of school at City pride school Nigdi in the month of February. It was a grand success as 900 students from all three branches participated in the Final Inter City Pride School Tournament. This tournament was a one day tournament which was held in two sessions Morning session and evening session. All three branches had started their preparation in the month of November and selected the team for the Final Tournament. CPS Nigdi sports department team also conducted the team trials for CPS Ravet. The Chief Guest for the tournament were Dr.Ashwini Kulkarni and Dr.Deepali Sawai and all Principals of the three branches of City Pride School.

City Pride School, Nigdi was crowned the overall championship.

## Achievements

### Academic Achievements

## Teachers Training Details

We strongly believe that the strength of every school lies in its teaching standards. We have a strong team of teaching staff and every year new members are added . All our teachers are qualified, trained and experienced. The teachers are enriched with training programmes to improve their teaching skills and to adopt new techniques in their teaching . Teachers attend various workshops and training programmes.

As per the CBSE norms teachers have been completed minimum 10 hours training program.

List of trainings seen below. (click the link).
