Avid Readers

The Avid Readers' Felicitation Ceremony of std. 2 to 9 at City Pride School, Nigdi was held on 19th April 2025 to honour students who showed a deep love for reading and books throughout the year. The programme was filled with excitement, joy, and a strong reading spirit.

Students from different grades were chosen as Avid Readers based on their reading habits, participation in book talks, and thoughtful reviews. Each reader was called on stage and presented with a badge and a folder as a token of appreciation by Vice Principal Mrs. Nisha Panicker

Heartiest congratulations to all the Voracious Readers
