Ishanyoday Art for a Cause

Students of Standards VIII & IX successfully organized a student-led fundraising initiative combining art and music to support a telehealth project in Manipur by the Shubhaan Foundation.

Music for a Cause was held on Friday, 9th Jan 2026 at the IICMR Hall, followed by an artwork display and sale on Saturday, 10th Jan 2026 on the school ground.

The initiative was led by a dedicated student core committee comprising Maanas Patil, Akshara Reddy, Tvisha Kankhar, Kananika Bhide, Saee Deodhar, Shriram Deshmukh, Parth Kulkarni, Kashyap Patil, Aradhya Jivatode, and Aishwarya Deshpande.

Students showcased paintings, canvas art, bookmarks, and handmade products like tote bags, scrunchies, dream catchers, and more—created under the guidance of Art and Fashion Designing teachers.

The programme received strong support from the Directors, Principal, Vice Principal, teachers, parents, and visitors. Through this initiative, students learned the joy of giving, teamwork, and using their talents for a meaningful cause.

Thank you, dear parents, for your constant encouragement and support!
