An Inspiring Author Interaction, Storytelling Session and Creative Writing Workshop at City Pride School, Nigdi!

On 3rd September 2026, City Pride School, Nigdi hosted an engaging Storytelling and Author Interaction Session with renowned author **Mr. Prashant Pinge**.

The session began with a creative warm-up activity, where students explored images, shared their ideas, and discovered the power of imagination. Mr. Pinge also introduced and narrated his book The First Tickle, making the experience lively and interactive. The enthusiastic Q&A session encouraged students to think about reading, writing, friendship, creativity, and storytelling. The author inspired young minds to read widely, observe the world around them, and find story ideas in everyday experiences. The session concluded with the felicitation of Mr. Pinge and a heartfelt vote of thanks by Ms. Anaya Kulkarni.

A truly informative, interactive and inspiring experience that encouraged our young readers to read more, imagine more and discover their potential as budding writers!

City Pride School, Nigdi also hosted an engaging Creative Writing Workshop through its Library Department which was conducted by **Ms. Sharanya Sriram**, inspiring students to explore the power of imagination and language.

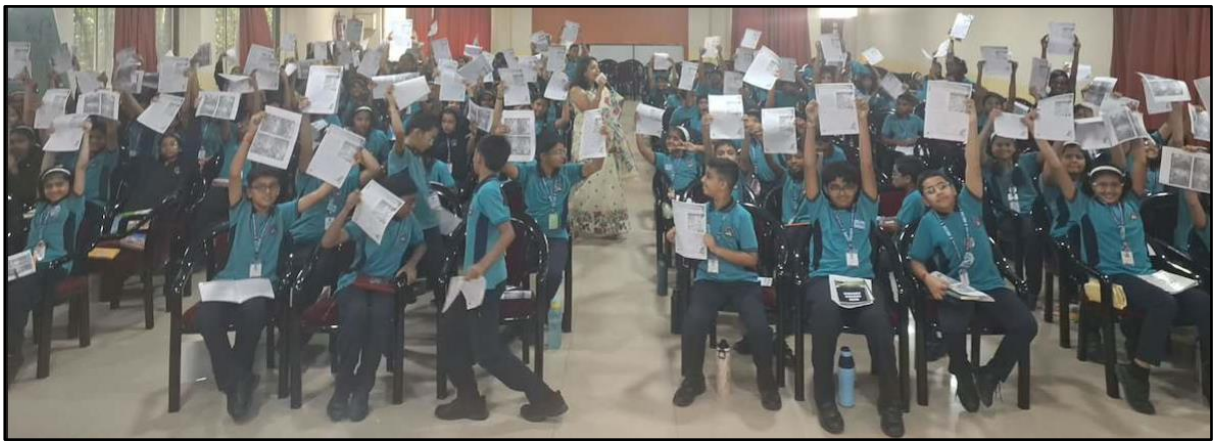

The session began with an introduction to the guest speaker and an intriguing exploration of hyperbole, the art of purposeful exaggeration that adds colour, humour and impact to creative writing. Through an animated storytelling session, Ms. Sharanya brought the concept alive, encouraging students to identify examples of hyperbole and share their responses. Interactive activities further fuelled students' imagination and encouraged them to experiment with the literary device creatively. The workshop concluded with a reflection on the essence of creative writing—to imagine boldly, express freely and transform simple ideas into memorable words.

A truly enriching session that reminded our young writers that every great story begins with a spark of imagination! ✨📚
